Subject: Steps to reduce/control the outbreak of Virus (COVID-19) in the State of Maharashtra

In provision to invoke the Epidemic Diseases Act of 1897 under section 2, 3 & 4, the Government of Maharashtra State has taken the following steps independently to frame to control the outbreak (COVID-19) in the state.

To control the outbreak of COVID-19 effect in your respective jurisdiction, particular establishments are to remain closed between 13th March 2020 and 31st March 2020. As per Epidemic Diseases Act of 1897, the following notice is issued for the closure of the following premises:

1. Cinema Halls
2. Swimming Pools
3. Gymnasiums
4. Theatre Halls
5. Shopping Malls
6. Schools, colleges, technical institutes

The Maharashtra government issued advisory directing the followings:

- Wherever possible, private firms should allow employees to work from home.
- People should also avoid visiting malls, hotels, restaurants, and other crowded places.
- Social, political and religious events barred. Prior permissions stand cancelled.
- People have been advised to curb unnecessary travel.

(Bus and train services fall under essential services and cannot be stopped.)
